

MUSIC N MOTION April 2010

It's that time of year!! The children and I are working very hard on our program and I think you will be pleasantly surprised at how well they sing! They are an awesome group of kids!! I am blessed!

The program will be on the evening of April 22. The morning classes will have their program from 5:30 to 6:30. The afternoon classes will have their program from 7:00 to 8:00. This will be a casual program. Children are asked to wear their Walnut Street Children's School t-shirts that night. Parents need to take their children to their classroom 15 minutes before the start of their program. Parents may then go on to the sanctuary. The program will not be very long so we ask that everyone stay for the entire program. After the program is over, teachers will take the children back to their classroom and parents can pick them up there.

Again, I have to say how blessed I have been to work with your children. They have enriched my life more than you will ever know. The Bible says that children are a gift from God and they certainly are in my eyes. Each one is so very special!!

*I hope that this year at WSCS has been a positive one for you and your child. The staff has grown to love your children but also the families of the children. We have really enjoyed getting to know you and we've appreciated the way you've helped us make this a successful school year. We couldn't have done it without
Y-O-U!!*

God bless you!!!
