

Pre-K Classroom Newsletter

April Events

This month we will learn about the letters Kk, Qq, Uu and Oo. We will practice identifying and forming these letters, producing the sounds the letters make and identifying objects that begin with those sounds.

We will study the

number 10, the first week in April. The remaining three weeks, we will review and study math concepts.

Diamond shape will be our focus the first week, followed by shape review, for the remainder of the

month.

The students have studied the eight basic colors extensively and will merely review them and practice recognizing color words in print.

The theme that we will discuss will be—oceans :)!

There will not be any school on April 1st and 5th.

On April 6th, Adena will return to perform speech screenings! We have the 'old' permission slips, but if you didn't fill one out and want your child screened, you will need to do so.

Local author, Sandra Thompson, will visit

on April 6th, as well! The children are anxious to 'show their stuff', on April 22nd, at our annual Spring Program—" Jump, Shout and Sing ". The AM Class will perform from 5:30-6:30 and the PM Class from 7:00-8:00. The theme is more casual, so the children are to dress in their "field trip/

class shirts" for the event! Students will need to be signed in and out and brought to the classroom, like usual. Please take your child to the restroom, before bringing them to the classroom.

Ronald McDonald, will visit the school, April 29th! He puts on a great show!!

Important Dates:

April 1- No School!

April 5- No School!

April 6- Speech Screenings! Sandra Thompson visits!

April 22- Spring Program!

April 29- Ronald McDonald visits!
