“One Call Now” Permission Form

Dear parents,

I am happy to inform you that we will be using a “One Call Now” system this year in order to notify you of school closings and delays. We will also be using this system for reminders about upcoming events (field trips, fundraisers, party days, etc.). “One Call Now” is a system that allows me to make one phone call that in turn will send out a phone call to all the parents in our preschool. If you are interested in being notified about important events by this system, please fill out the permission slip below and return it to your child’s teacher or to me the first week of school. You are allowed to list up to six phone numbers in order to be notified about the event, delay, or closing. Many people choose to list their home and cell phone numbers. If you have grandparent or babysitter that drops off or picks up your child, you may want to add their number as well. If you have caller ID, the listing should come up Walnut Street Preschool. If you have any questions about this system, please don’t hesitate to ask!

Miss Hillery

I give Walnut Street permission to notify me of closings, delays, or important events using the “One Call Now” system.
